One Volunteer can pack 200 meals in a single shift → The cost of each meal is \$0.22 → Materials cost for a single volunteer = \$44.

10 Volunteers (2,000 meals packed) → \$440	<i><b>"This was an awesome team building event. The girls got to help make lives better. They said what moved them the most was at the end we all prayed over the packages and then one of the staff members started pointing at the crowd and at some of our girls and she kept repeating "your hands, your hands were the last hands that touched the food that will feed a starving child". As a group they told me this was one of the best days they have ever had. Knowing they made a difference. Thank you for allowing us to help!"</b></i> <b>Blessings</b> <b>Coach Jim</b>
30 Volunteers (6,000 meals packed) → \$1,320	
50 Volunteers (10,000 meals packed) → \$2,200	
100 Volunteers (20,000 meals packed) → \$4,400	
250 Volunteers (50,000 meals packed) → \$11,000	
Other Volunteer Amount X \$44 → \$_____
